## EXPERIENCE

### FIGMINTS DELICIOUS DESIGN *Pawtucket, RI*

- Art Director, October 2012–Present

Work on a variety of projects, from branding and print design to UX/UI and website design. Complete designs from research and ideation, architecture and wire-framing, and ultimately to digital design executions and code. Art direct projects of other designers, and collaborate with the development team.

### GUPTA MEDIA *Cambridge, MA*

- Graphic Designer, July 2012–October 2012

Generate marketing media for the web, particularly for musicians and their record labels. Most typically, projects consisted of extending an artist's brand to social networking sites and banner campaigns.

### MOJOTECH *Providence, RI*

- Visual Designer, November 2011–June 2012

Worked alongside the development team to create interactive designs, particularly web apps for start-ups. Created information architecture, wire-frames, page layouts, branding, and content for website designs.

### INTERBRAND *Cincinnati, OH*

- Design Intern, April 2009–December 2010

Collaborated with the Interbrand design team on packaging and branding projects. Specifically sketched and created digital executions on the Wrigley team for such brands as Orbit, Lifesavers, and Skittles, but also helped the home and beauty teams. Participated in several student projects and presentations.

## EDUCATION
